

# **FREE** Transition Consultant Services

**Are you a family member of a person with an intellectual or developmental disability who will be graduating within the next 2-3 years?**

**We can help with post-high school options.**

## **Our Transition Consultants can:**

- ▶ **Assist** you with transition planning to adult services for employment, college and training, community living, and leisure, recreation, and social opportunities
- ▶ **Connect** you with community and government agencies
- ▶ **Support** you at school meetings
- ▶ **Help** you learn about state funding via PUNS (Prioritization for Urgency of Need for Services) and register for those services

## **Need more information?**
